Sir:

Enclosed is a copy of an International Preliminary Examination Report that has been belatedly issued by the IPEA/US on September 26, 2002. It responds to an amendment that was filed on November 13, 2000.

All of the amended claims, which are now on file in the United States Patent and Trademark Office, were found patentable by the PCT International Preliminary Examination.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail to Addressee in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on October 21, 2002:
